ABOUT US

The "Noble" voyage of transforming the young minds got on track more than a decade ago. A group of lecturers running a private tuition, while tutoring always empathized on filling the short comings in the college education & education system at large.

NGI is an amalgamation of a number of institutes equipped with various courses designed for industry needs and also to nurture the youngster's career. Courses offered ranges from Pre-University to Post Graduation. Convenient programs such as evening college, distance learning and executive education help any aspiring young mind to join the journey of excellence.

NGI - Being a part of renowned NEST (Noble Educational & Social Trust) is located at the metropolis "Bengaluru". The cosmos cult is the prime location for education, entrepreneurship and employment. Earlier named as Bangalore, the city has credits such as garden city and Silicon Valley of India. Ranks among top 10 preferred entrepreneurial locations in the world.

“Educating the mind without educating the heart is no education at all.”

- Aristotle

The new millennium spirit that drives NOBLE is evident in the courses we offer, which are both contemporary and futuristic. In NGI, conventional streams of business share space with management disciplines and train its students in cutting edge technologies

VISION

To become an institute most known for making the youth noble and be nobler in their business practice by providing a world - class education at an affordable price.

MISSION

NGI will be a learning community that is focussed on developing youngsters who will become leaders in an era of global competitiveness and technological advancements. Our community will be committed to ascertaining and disseminating relevant knowledge and providing specialized educational experiences of the highest calibre to advance the theory and practice of Pre-university to Post graduation Studies
